

you to attend our AGM and GP Perspectives Dinner on

Wednesday 29th October 2014

Annual General Meeting and GP Perspectives Dinner

The GPpartners AGM will be followed by a networking dinner to get your perspective on the changes that are happening within and around General Practice at the moment.

GPs need to be united to provide a unified voice so we at the grassroots have direct input into decisions being made that affect General Practice.

Our board is currently in discussions with a number of organisations. Please encourage your colleagues to become a member and attend the networking dinner so we have a stronger voice when representing General Practice.
