you to attend our
2015 AGM on

Wednesday 28th October 2015

Annual General Meeting & Round Table Discussion

All members are invited to "Des Alpes" Blackwood St, Mitchelton on the 28th October 6.30pm for drinks and a meal.

After the formalities of the AGM, approx. 20 minutes, we are keen to hear from you, our GPpartners members, about your expectations of the organisation, what you as GPs want in our education events and what advocacy we can provide on your behalf.

Life as a GP means a full day of seeing patients with often quite complex problems. Our frustrations can be with the systems we are constrained to work under with limitations affecting the holistic care of the patients. At present there are several reviews of the Primary Health Care System as well as the looming National Disability Scheme. GPs are the centre of the system but often we are underrepresented when decisions are being made because we are too busy working at the coal face.

We welcome you to a round table discussion after the AGM to discuss issues that are affecting you.
